

Royal Servants Reference Sheet

We understand that there are a lot of details that Royal Servants participants and parents need to be aware of when going on a Royal Servants mission trip. This document is designed to help with the details of the forms and other documents that you'll need. It is incredibly important that you read all the material sent to you in the Prep Packet and Support Raising Kit and also the PreSummer Letter emails that you'll begin receiving in late March to be sure you don't miss any important information. A shorter version of this document is located in each Prep Packet booklet.

DOCUMENTS & FORMS

- HEALTH HISTORY FORM – This form needs to be mailed to Royal Servants within 2 weeks of receiving the support raising packet. We cannot take any participant for the trip if we don't receive this prior to their arrival. We must have the original and cannot accept faxed or emailed copies. Please be sure to fill this out with blue or black ink. It is important that this form is completed fully and accurately. Be sure to keep a copy for your records and let us know if anything changes.
- TERMS & CONDITIONS FORM – If participant is under 18 years old, this form must be signed by both parents (or legal guardians) **and** by a Notary Public. We cannot take any participant for the trip if we don't receive this prior to their arrival. We must have the original form and cannot accept faxed or emailed copies. If the participant is 18 years old or older, only that participant has to sign it and a Notary Public signature is not needed.
- PHYSICIAN FORM – We will need this to be filled out by a physician. A copy of a physical is not acceptable replacement for this form. If you have a current physical (after September 1, 2018), you can simply take this form into your physician and have them sign the form based on that physical.
- VACCINATION FORM – This form includes information on vaccines required by Reign Ministries and recommended by the CDC. In some cases, the reverse side of the form is the Vaccine Exemption Release Form. For some trips, like Uganda, we don't offer exemptions due to the higher likelihood of contracting rarer diseases. If you would like an exemption from vaccinations, please contact Royal Servants, so we can discuss with you whether it is reasonably safe to travel to the country you have chosen. In some cases, we may recommend a safer alternative.
- PRESCRIPTION INFO SHEETS – This is included with your son/daughter's Prep Packet and should be filled out for each prescription and sent with participant to Training Camp. Prescription medications have to be in the name of the participant. And all medications, whether prescription, over-the-counter, or vitamins, **MUST** be in original containers. Please, no baggies of unknown pills.
- PASSPORT PHOTO COPY – We need a copy of the photo page and signature page of your passport (see example copy included). All passports must have an expiration date that is at least 6 months **AFTER** the return of the trip. You can either mail a photocopy or email a picture of your passport.
- DOMESTIC TRAVEL PLANS FORM – We need this information before participants fly to Chicago in order to know where and when to pick them up. Please send it in right away once travel arrangements are secured in April/May. *Important Reminder: Do not book domestic airfare until you receive the Updated Mission Trip Schedule that we send out in late April.* Please also send in a copy of the domestic flight itinerary, we will keep this copy and return to participant at the end of the trip so they know their flight information getting home.
- TRAVEL INSURANCE FORM – Domestic health insurance plans may cover overseas medical expenses, but they do not cover medical evacuation or travel needs that may arise from an illness or injury. Because of this, a basic travel insurance policy will be included in the cost of each trip. This form lays out different plan options, higher limit coverage, and additional costs for you to consider. Indicate your choice of plan on the bottom of the form and return. Royal Servants will purchase each participant's plan as a group.
- MENTOR PROGRAM FORM – Although highly recommended, this program is optional. We suggest that the mentor be someone older, further along in their faith journey, and not an immediate family member (like a parent or someone living in the same household).
